Town of Clifton Park Cleanup Day

Join us on Saturday, April 21, 2018

It's that time of year again!

The Town of Clifton Park and the GREEN Committee has announced its annual spring Cleanup Day for our trails, parks and open spaces. Join us as we continue this amazing, community powered event!

This year's Cleanup Day will be held on April 21, 2018 from 9:00 am until noon. Participants will gather at our favorite parks, nature preserves and bike trails throughout Clifton Park to work together again to get our town's treasures in shape for spring and summer recreation.

If you are interested in volunteering for our Cleanup Day on April 21st, please call Clifton Park Town Hall at 518-371-6651 or email Councilman Amy Standaert at astandaert@cliftonpark.org to sign up.

There are varying levels of difficulty of cleanup, from simple walks and picking up trash along the trail, to raking and leaf pickup. We also are happy to accommodate nearby dates that may better suit your group.

Thank you for helping us clean up Clifton Park!

The Town will provide bags and will collect all trash and debris.
