Spring 2020

Dear Parents,

Congratulations on the arrival of the new addition to your family!

The Town of Clifton Park would like to invite you to register your baby (or babies) in our "Plant a Tree for the Newborn" program. Simply complete the enclosed form and return it with a picture of your baby to "Plant a Tree for the Newborn," Office of Parks, Recreation and Community Affairs, One Town Hall Plaza, Clifton Park, NY 12065. Deadline for registration is April 10, 2020 unless your child is born between April 10 and April 24, 2020.

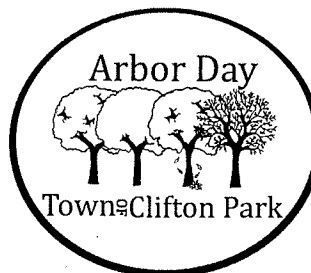

The week after Arbor Day 2020, from April 27 – May 1, parents can come to the Parks and Recreation office located in Town Hall and pick up a free tree seedling to be planted as a "birth tree" for the child on their property. Also during that week, the babies' pictures will be displayed at Town Hall.

If you have any Clifton Park friends with newborns, we encourage you to tell them about the program. The only requirements for participation is that the baby must be born between Arbor Day 2019 (April 26) and Arbor Day 2020 (April 24) and that the parents or grandparents must be residents of Clifton Park.

This program was initiated over eighteen years ago and because we believe that a tree is a gift for the child to grow up with and thereby to develop an appreciation for nature and the conservation of wildlife. We hope that your child will watch its "birth tree" grow and will become a citizen who cares about the environment in the 21st Century.

Sincerely,

Myla E. Kramer, M.S.W., Director
