The Town of Clifton Park is currently seeking sealed bids to provide pool chemicals (sodium hypochlorite and Muriatic Acid) for all three town pools located at Barney Road, Burning Bush (Country Knolls) and Locust Lane.

The sodium hypochlorite solution is to be delivered every week or as needed by bulk delivery or 5 gallon containers as requested to all three town pools.

June 25-August 3: Delivery must be before 8AM  
 May-June 24 and August 4-September 4: Delivery may be between 9AM - 5 PM

The muriatic acid is to be delivered as needed in containers as requested plus charges for containers.

The approximate amount of sodium hypochlorite solution and muriatic acid to be purchased for each pool is in the chart below. (These amounts may vary depending on use of pools and weather)

<b>Pool Location</b>	<b>Sodium Hypochlorite</b>	<b>Muriatic Acid</b>
Barney Road	4860 gallons	150 gallons
Country Knolls	3500 gallons	25 gallons
Locust Lane	2400 gallons	150 gallons
Total	10,760 gallons	325 gallons
	These are estimates based on the average for last 4 years	These are estimates based on the average for last 3 years

**Bids to include any drum deposits and delivery fuel surcharges.**

Pool chemicals are for the pool season from May-September 2018.
