The American Red Cross is experiencing a severe blood shortage as the number of trauma cases, organ transplants and elective surgeries rise – and deplete the nation’s blood inventory. The Red Cross is working around the clock to meet the extraordinary blood needs of hospitals and patients but can’t do it alone. We need your help!

P.S. Each Red Cross blood drive and donation center follows the highest standards of safety and infection control to protect our partners, donors and staff.

Please sign up in the Town Clerk’s office or online at [www.redcrossblood.org](http://www.redcrossblood.org)

There will be no Power Red appointments for this blood drive.
